welcome you!

ABOUT OUR SCHOOL

St Maria Goretti School is a hub of educational excellence in the community of Inglewood, with families choosing to partner with the school for over 70 years.

ABOUT OUR STAFF

A young, vibrant and professional team of educators, who have been acknowledged through various awards, are focussed on using tried and tested strategies to personalise learning for all.

ABOUT THE YEAR 3-6 CLASS

The Year 3-6 class are risk-takers when it comes to learning - their growth mindset means they see new and difficult challenges as something to be embraced. They especially love to make connections between their learning and life.

YOUR CLASS

As a Year 3-6 multi-age class they are learning, succeeding and flourishing.

They take their leadership within the school seriously, and are strong role models for the younger students - proudly 'stepping up' to help peers and staff.

Engaged, courteous and emotionally connected to the school - they give of their time to support others, whether that be at lunchtime, playing games together or through sharing learning.

This group of young people are excited to work with a new teacher, and welcome them into the St Maria Goretti community.

WHAT STAFF SAY ABOUT THEIR OPPORTUNITIES

"I feel lucky to work at St Maria Goretti School. The staff make a brilliant team, there are social events and training opportunities, even amazing school dinners! This makes it a special place to work."

"What sets St Maria Goretti apart is how much leadership devotes to professional development. I've enjoyed numerous opportunities to attend PD to help me grow as an educator. This is a very tight knit school and it feels like a second family to me."

WHAT ABOUT THE TOWN

Located on the banks of the Macintyre Brook, Inglewood is fast becoming an area for olive growing, honey production and is home to an award-winning lavender farm.

With perfect sunrises and sunsets over Lake Coolmunda, the community will often be found enjoying the great outdoors with water sports, camping and hiking on offer.

Like all good country towns, this social community, also enjoy a number of local festivals and events ranging from trail bike rides, live music in the olive groves and car shows.

Welcoming new people to their community; you will soon become a local!
